Lakkars ascent to success in the Deccan can be attributed to an understanding of every woman's desires when it comes to dressing up. The beauty Silk sarees, Designer embroidery Sarees or just traditional but in different silhouettes, half Sarees, Lehengas, Salwar suits (Ready to wear & Unstitch) Tunics, Mix & Match from top designers labels from India and in -House labels and the USP of Lakkars is to give the best in fashion at the reasonable price tag. Whether you're looking for a dream wedding outfit or dazzling ethnic wear— Lakkars has got something for everyone.

LAKKARS
COLLECTION

Lakkars fashion magazine will keep you all updated with everything popping around the world under one roof. We encourage and publish about a lot of amazing content more especially of women creators.

Be on the lookout for LAKKARS Magazine. Thanks to everyone—readers, collaborators and the spectacular LAKKARS team & not but least our handsome pillar of lakkars, Mr. Sangram who has made this magazine something to be proud with what we kept expectation. Let us know what you think of our streamlined new look, which sets the tone for our next coming years.

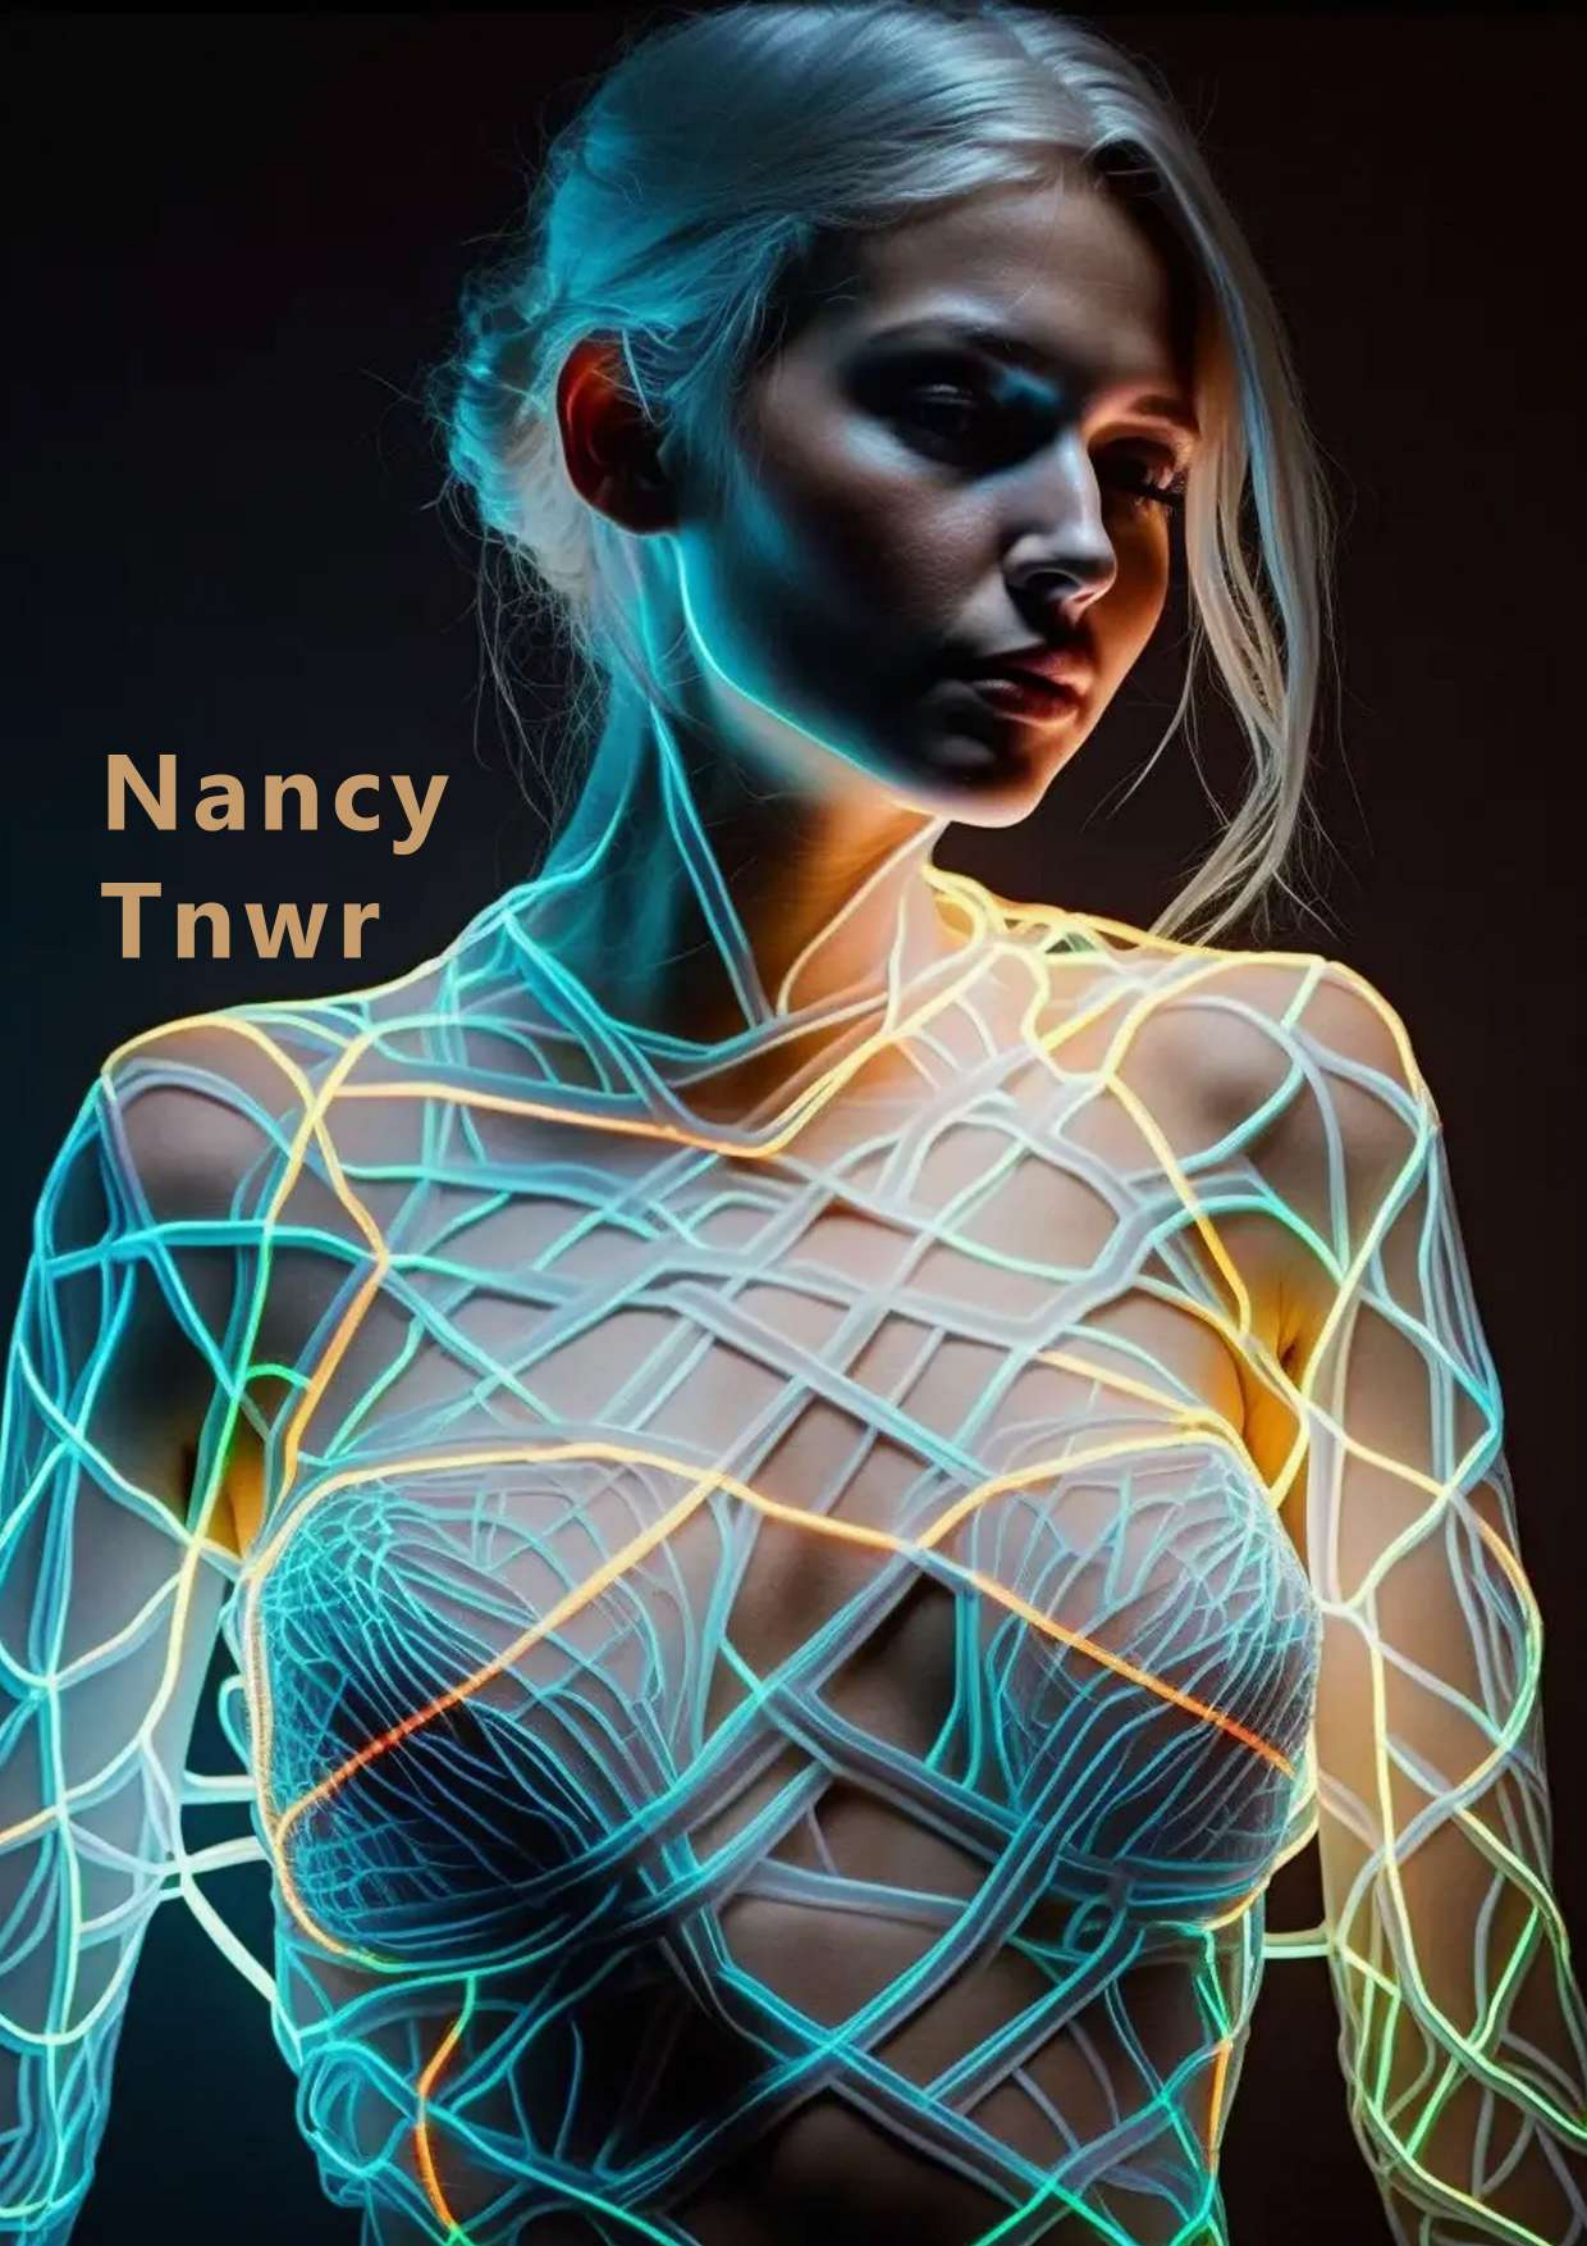

Apart from her good looks and talent, Natalie Korneitsik is known for her dedication. Even when Lucile does not have any shoot, she enjoys spending time on the set. She enjoys getting up for work every morning and is one of those few models who actually do not look forward to their days off.

Nancy Tnwr is a mixed media artist based out of Bangkok, Thailand. Although she has a variety of series and mediums she decided to create something bright and vibrant. "Right now I just want to create positive energy and put that into the world. I think now is the time for that beautiful sunset after the storm."

Anne
Snider

Anne Snider work focuses on capturing the unique and mesmerizing styles. It's not the catwalks that bring her to Fashion Weeks across World: it's instead what's going on just outside the shows.

I wanted to push my messaging and my knowledge beyond myself and create a place where people could come together and merge their different perspectives, talents and expertise. So that's why I created Sustainable Baddie.

A woman with long, voluminous, curly hair is the central figure. She is wearing a black, strapless, form-fitting dress. Her hair is illuminated with a strong red light, giving it a vibrant, fiery appearance. She is looking slightly to her right with a soft expression. The background is dark, making the red light and her hair stand out. She is wearing a thin necklace with a small pendant and a ring on her finger.
